VicRoads & Innovation: The Path to the Future of Road Safety

“
Hear how a Policy Director,
Traffic Superintendent,
Technology Commercialist,
Forensic Engineer and an
Engineering Consultant
innovate to solve a major
community problem”

When: Monday, 2 August 2010 Where: Zinc, Federation Square Time: 7.00am - 9.00am (Registration from 6.30am) RSVP: Friday, 23 July 2010

VicRoads works alongside many individuals and organisations to find innovative solutions that will improve safety on our roads. Some of these include facial recognition systems, drug and alcohol testing, automatic number plate recognition and intelligent speed assist.

A diverse panel of experts will delve into case studies where innovation and safety come together for the benefit of the community.
